Testimonials

Dr Herdeza Versoza
Westfund Dentist

Working at Westfund Dental Centre is like belonging to a family, the staff are very supportive and everyone treats each other with mutual respect. The dental practice commitment to training and development of the team, infection control, and occupational health and safety makes the centre an excellent place to work and a conducive environment for professional enrichment. Contrary to perception of a country dental practice, the centre is not behind with its modern facilities and up to date equipment. We are also provided with superior dental materials to ensure optimum service to our patients.

We take pride in our level of dedication to give patients the finest dental care and the clinical freedom we, as dentists, enjoy is immense. Westfund has afforded me the opportunity to grow and nurture my skill as a dentist and is likewise instrumental in my bid to call Australia home.

Lithgow, where we are situated, can boast not only of its nature's sceneries, but more so of its warm and friendly people.

The feeling of being welcome and a sense of belonging can overwhelm you and make you want to stay.

Indeed, I made the right decision when I chose to come and work here four years ago.

Dr Herdeza Versoza

Dr Helen Hee-Jung Lee
Westfund Dentist

I have worked at Westfund for the past two years. Westfund staff and patients are very friendly, providing a family like atmosphere.

Because I had to drive from Sydney every weekend, Westfund provided a fully furnished accommodation at a minimal price.

The dental facilities are excellent and maintain highest level of infection control standards.

I thoroughly enjoyed the times working at Westfund and it will be a great asset to my future working career.

Dr Helen Hee-Jung Lee

Dr Mouhamoud Al Koudmani
Westfund Dentist

Working at Westfund has been an enjoyable and rewarding experience for me. The Dental Centre, with modern equipment and up to date resources provide a pleasurable work environment supported by staff that are extremely friendly and highly trained. Not to mention being in a lovely town surrounded by beautiful mountains is an added bonus.

Dr Mouhamoud Al Koudmani

make the most out of your career!

Well paid dental opportunities in *The Blue Mountains* Australia.

We are currently seeking expressions of interest from dentists to join our friendly professional team.

What we are looking for

Enthusiastic clinicians who are willing to provide optimum dental care to our large volume of patients. Dentists who are able to adapt to a team-orientated practice and are willing to develop professionally. Part-time or full-time. New Graduates are welcome.

Our Facilities

Our Dental Centre has eight modern well-equipped surgeries, all fitted with ADEC chairs and nitrous oxide sedation units with planned digitalisation of x-rays machines. We operate from Monday to Friday, 8:30 am to 5:30 pm. We are also open on Saturdays by appointment. We are situated near picturesque Blue Mountains which offer access to a wide range of outdoor activities and sports.

Our Staff

We have a very supportive staff - from centre managers & clinicians to receptionists & qualified assistants. Our dental assistants have formal education and they undergo continuous training. Our principle is team approach to achieve high level of service to our patients.

What we offer

Because we take care of our dentists who take care of our patients, accommodation assistance is made available. For long term dentists, we offer benefits like ADA membership, professional indemnity insurance, and because we value our clinicians' commitment to continuing education, we provide allowance for courses.

We present an excellent work environment and a ground for our staff to develop their professional skills.

Depending on the level of experience and qualifications held, we offer remuneration of up to \$200,000 p.a.

About Us

- ✓ **Modern facility**
- ✓ **Family orientated**
- ✓ **Highly preventive practice**
- ✓ **Excellent staff**
- ✓ **Work Visa sponsorship available**

Westfund Health Insurance is a mutual organisation for the benefit of members, with its own Dental Centre facility situated in Lithgow NSW.

All patients attending the Dental Centre must be members of the health fund. Our Dental Centre operates as a high preventive practice which is very family orientated with a wide range of services such as composite restorations, dentures, crown & bridge, veneers, cosmetic whitening and custom made mouth guards to name a few.

Lithgow is situated west of *The Blue Mountains*, 2.5 hours from Sydney. Train travel can be easily accessed directly from Sydney to Lithgow, alternatively shared accommodation is available which can be incorporated as part of the remuneration package.

Our new facilities operate eight dental chairs within an extremely modern clinic, with specialised dental software and planned installation of digital x-ray during 2008. We also have a Prosthetist and Hygienist on staff.

Should you wish to seek further information on the position or have a general enquiry, you can either email us here at the Westfund Dental Centre or give us a call.

We can sponsor you!

Expressions of interest

If required, assistance with relocation and Visa application will be provided for the right candidates.

Getting there . . .

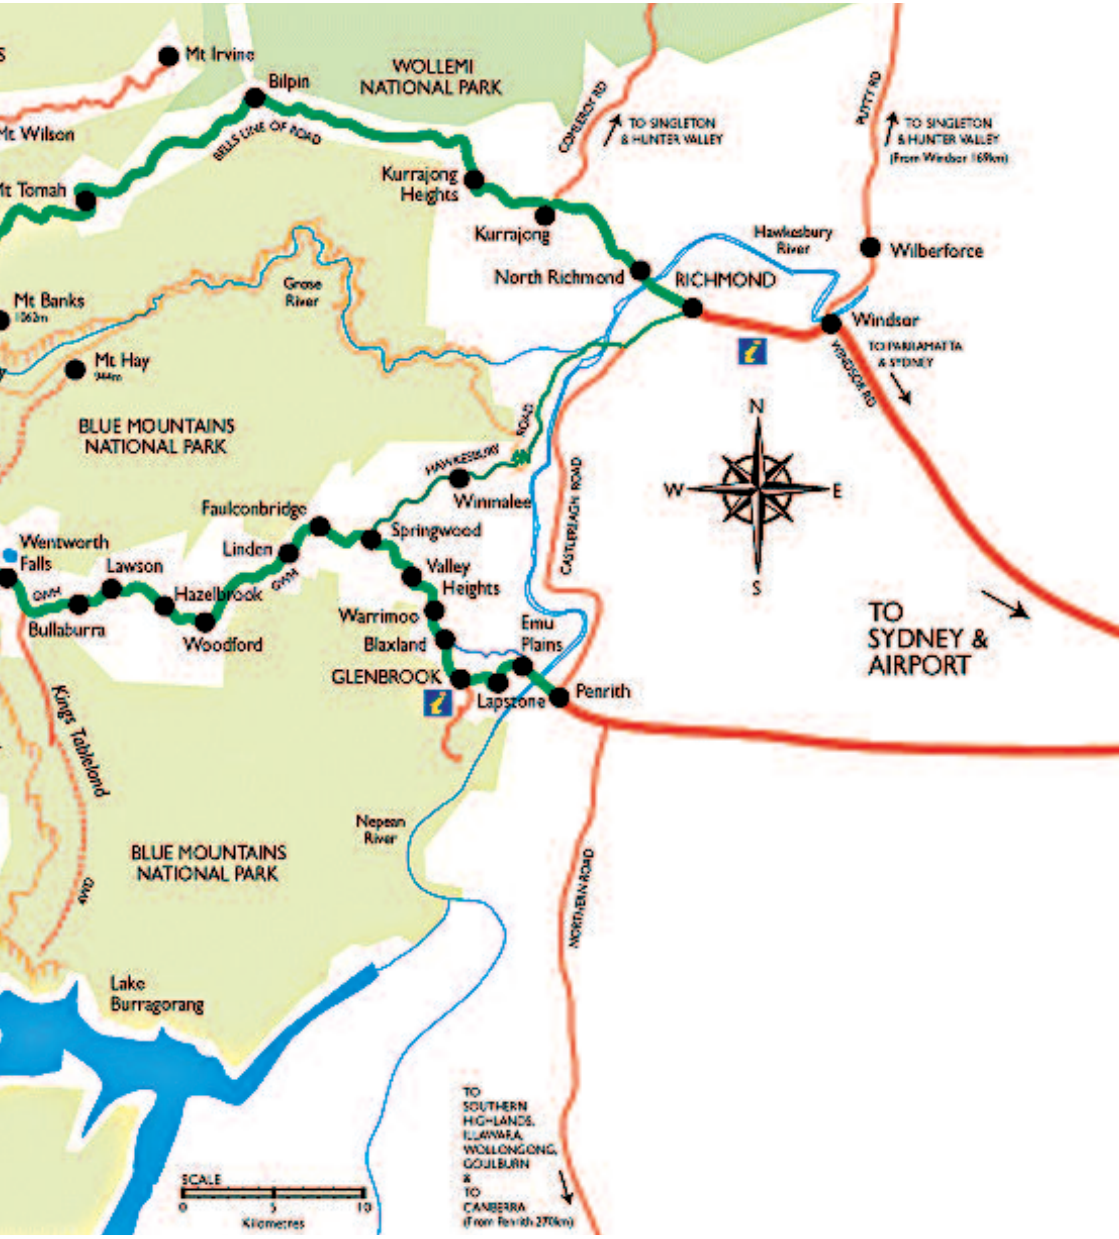

The Blue Mountains is only 90 minutes from downtown Sydney and can be reached by car, rail, shuttle and scheduled services. There are basically 2 ways to approach Lithgow from Sydney by road. (See below.)

Getting to the Blue Mountains by Car

From Sydney - via Great Western Highway (M4). The most direct approach is to head west from Sydney along Parramatta Road to the M4 Motorway, continue over the Blue Mountains and follow the signs to Lithgow.

From the city, take the Harbour Tunnel or Harbour Bridge and follow the Warringah Expressway straight through to Lane Cove. Follow this through onto the M2 Motorway until you reach the Blacktown exit. Turn right onto Burns Road and follow this onto Old Windsor Road. This will run into Windsor road, turn right and it will take you right into Windsor in about an hours drive. Cross the Hawkesbury River at Richmond and onto the Bells Line of Road. Via Lithgow and Hartley Valley.

About the region

The Blue Mountains Region is a captivating world of National Parks, spectacular scenery, awe inspiring vistas and the grandeur of ancient mountains. Adjoining the Great Dividing Range and known as the city within a National Park, The Blue Mountains has vast serene bushland, cliffs and gorges, wilderness areas, rivers and waterfalls.

The City of the Blue Mountains occupies some 1,436 square kilometres and its population is scattered across 110 kilometres of ridgeline in 26 towns and villages. The region is a birdwatcher's paradise – king parrots, crimson rosellas, gang-gang cockatoos, lorikeets and lyrebirds abound. The flora of the mountains is also diverse, with spring bringing waratah, boronias and many other wildflowers into spectacular bloom.

The Blue Mountains region is also home to some of the most breathtaking landscapes in the country. At Katoomba, the Three Sisters gaze out at the imposing Mt Solitary, while Pearson's Lookout near Lithgow provides unforgettable vistas of the Capertee Valley.

Visit Kanangra Boyd National Park near Oberon to see some of the largest cliffs in Australia. Marvel at magnificent limestone formations at Jenolan Caves. Admire beautiful waterfalls created by mountain streams as they tumble over the sandstone escarpments.

Discovering the wonders of the World Heritage wilderness is easy. The region has one of the best walking trail networks in the country, from gentle strolls through to longer walks and multi day hikes deep into the wilderness.
